## From the Desk of the CEO

Rod Burkett

We celebrate President's Day in February, and I most often think of Abe Lincoln when this day rolls around. Like many people, I have often quoted our 16<sup>th</sup> President when I have needed a relatable leadership example or a simple but impactful life lesson.

While Lincoln struggled periodically with bouts of depression, he was also an avid reader and studied the great minds of world history, often reading by candlelight in his log cabin setting.

Following are several of my favorite leadership lessons originating from Lincoln's speeches and writings, which also serve as helpful guidelines for life in general:

No one is a winner by themselves. Success is a team effort, even it's a team of two – "I'm a success today because I had a friend who believed in me and I didn't have the heart to let him down."

Persistence is one of the key components to success. The majority of success are developed over long periods of time....overnight success are rare – "I am a slow walker, but I never walk back."

Sometimes the going gets rough, and we are tempted to surrender or quit...but think of the people and the objectives that are worth fighting for, and keep going – "When you reach the end of your rope, tie a knot and hang on."

Preparation is critical...never approach your passion, your dreams or your work with a dull set of skills – "Give me six hours to chop down a tree and I will spend the first 4 hours sharpening my axe."

Too many times we form a first impression when meeting someone, and we don't seek to truly understand them before we judge them or choose how to feel about them – "I don't like that man. I must get to know him better."

Happiness is a choice...you should give yourself permission to be happy no matter the circumstances of your life and simply will yourself to be happy – "Most folks are as happy as they make up their minds to be."

## ABOUT THE MONTH OF FEBRUARY

Rick Banas

February comes from a Latin word meaning “to cleanse.” The month is named after a month-long purification festival.

February reportedly is the most misspelled word in the English language, with the first “r” often overlooked. It is the only month of the year in which there might not be a full moon.

On February 26, 1846, Buffalo Bill Cody was born in Scott County, Indiana. He was known for his Wild West show.

Ronald Reagan was born in Feb. 6, 1911, in Tampico, Illinois, a village near Sterling. He spent 30 years as an entertainer in radio, film, and television before being elected Governor of California in 1966 and the 40th President of the United States in 1980.

The Marines raised the U.S. Flag on Iwo Jima on Feb. 23, 1945.

The last original “Peanuts” comic strip appeared in newspapers on Feb. 13, 2000, one day after the passing of its creator, Charles Schultz.

Feb. 17 is Random Acts of Kindness Day. Make kindness the norm.

February is Black History Month, a time to honor the legacy, accomplishments, and contributions of Black Americans throughout the history of the United States.

February is American Heart Month, a time to focus on cardiovascular health. Here are some tips for reducing your risk of heart disease and stroke from the National Heart, Lung, and Blood Institute:

Regularly check your blood pressure and cholesterol. If either are high, work with your doctor to get the level into the healthy range.

Maintain a healthy weight.

Engage in regular physical activity.

Eat heart healthy foods.

Manage your stress. Ask your health care provider what kind of stress management activities are good for you.

Get enough good-quality sleep.

If you smoke, QUIT.

## February is American Heart Month

Chrisi Karcz AVP Clinical Operations

Did you know that people who have close relationships at home, work, or in their community tend to be healthier and live longer? One reason, according to the National Heart, Lung, and Blood Institute, is that we're more successful at meeting our health goals when we work on them with others. NHLBI launched the #OurHearts movement to inspire us to protect and strengthen our hearts with the support of others.

Here are some facts, how-to tips, and resources to inspire you to join with others, even if you can't be physically together, to improve your heart health.

Heart disease is a leading cause of death for both men and women in the United States. Most middle-aged and young adults have one or more risk factors for heart disease, such as diabetes, high blood pressure, high cholesterol, or being a smoker or overweight. Having multiple risk factors increases your risk for heart disease.

### Why Connecting is Good for Your Heart

Feeling connected with others and having positive, close relationships benefit our overall health, including our blood pressure and weight. Having people in our lives who motivate and care for us helps, as do feelings of closeness and companionship.

Follow these heart-healthy lifestyle tips to protect your heart. It will be easier and more successful if you work on them with others, including by texting or phone calls if needed.

- Be more physically active.
- Maintain a healthy weight.
- Eat a nutritious diet.
- Quit smoking.
- Reduce stress.
- Get 7-8 hours of quality sleep.
- Track your heart health stats.

You don't have to make big changes all at once. Small steps will get you where you want to go.

### Recipe Corner Red Velvet Mug Cake

- 8 Tbs. Flour
- 4 Tbs. Sugar
- 1 Tbs. Unsweetened Cocoa Powder
- 1/4 tsp. Baking soda
- 6 Tbs. Milk
- 1 Tbs. Vegetable Oil
- 1/4 tsp. Distilled Vinegar
- 1/2 tsp. Red Food Coloring

#### Frosting

- 1 oz. Cream Cheese
- 1 oz. Butter
- 6 Tbs. Powdered Sugar

#### Directions

1. Combine the milk and vinegar in a microwave-safe mug. Stir in the food coloring with a fork until blended, then stir in the vegetable oil. Add the flour, sugar, cocoa powder, and baking powder. Stir until smooth, making sure there are no lumps of flour and cocoa in the bottom of the mug.
2. Microwave on high for 1 min. 15 sec. or until toothpick comes out clean. Let cool for 2-3 min.
3. To make the frosting, combine the cream cheese, powdered sugar, and butter in a small bowl. Dollop on cake when finished.

## Welcome New Staff:

Michelle D. Dietary  
Liz S. Nursing

I hope everyone enjoyed their holiday season. Now that we are in the midst of winter, I would like to review a few of the precautions that we still need to follow regarding Covid. We have had a few cases in the building to start off the new year. I am asking everyone to stay vigilant and follow all the safe practices that we have learned. Hand washing to still a key factor in this fight. Also, even if you are feeling a little under the weather, please notify a member of staff, so we can do a quick test for you. It will benefit everyone in the long run and will help us to stay covid free. Please remember to wash your hands before and after meals as well as washing your hands when you have returned from an outing. Please be conscience of your masks and wear them when you are not in your apartment. Continuing to work together will get us through these winter months healthy and safe.
