The rotting pumpkins have been removed from the porch, and the last few pesky leaves have been carted away. The cold December air signals that the holiday season is fast approaching. A national survey recently showed that close to 60% of Americans dread the holidays because of the added stressors of high expectations, busy schedules, family gatherings, and added financial pressures. Another study stated that we adult humans are only fully present in the moment approximately 47% of the time...the other half of our time finds our minds consumed with the past, or worrying about the future. We all have those moments where we are physically present, but our minds are somewhere else, and the hectic holiday season seems to further intensify this struggle in our heads.

Before the stress of the holidays sneaks up on you, here's a few mindfulness tips that I try to incorporate into my routines, after listening to several experts in the psychological field.

1. Get totally immersed into a sight or sound of the season...such as admiring the twinkling lights on a tree or truly deeply listening to the lyrics of a Christmas carol playing in the background.
2. Accept that stressors and imperfections are a normal part of life...nothing is going to be perfect, so focus on the simple things that come with the season.
3. Focus on simple ways to connect with neighbors, coworkers, friends and family...COVID taught us several more ways to stay connected.
4. Reminisce about past positive holiday experiences and traditions with loved ones who have passed or are geographically distant.
5. Be mindful of our increased caloric intake over the holidays...eat slowly and connect all the senses of flavors and smells...be accepting that it's okay to indulge here and there, but not for every meal, just because it's the holidays.

Best wishes for the holidays, and for health and happiness throughout the coming year!

ABOUT THE MONTH OF DECEMBER

Rick Banas

Our country's Bill of Rights went into effect on Dec. 15, 1791. It is made up of the first 10 Amendments to the U.S. Constitution. The amendments are designed to limit government power and protect individual liberties.

Dec. 3 is designated as International Day of Persons with Disabilities. The focus is on empowering and creating real opportunities for individuals who have disabilities. Gardant operates two affordable assisted living communities in Illinois that serve adults with disabilities who are 22 to 64 years of age at the time of move-in – Deer Path of Huntley and GateWay at River City in Peoria.

Dec. 3 is also National Roof Over Your Head Day. It serves as a reminder to be content and give thanks for what we have, beginning with the roof over our heads.

Dec. 7 is National Pearl Harbor Remembrance Day.

The Winter Solstice occurs on Dec. 21, marking the start of winter in the Northern Hemisphere. Dec. 21 also is Look on the Bright Side Day and Crossword Puzzle Day..

Did you know that the song Jingle Bells was meant to be a Thanksgiving song. It was published in the fall of 1857 under the title "The One Horse Open Sleigh."

Dec. 26 is National Candy Cane Day. Their shape represents the canes used by shepherds. While not free of sugar or calories, most candy canes reportedly do not have any fat or cholesterol. Traditionally, they are flavored with peppermint, but today you can find cherry, sour apple, blueberry, watermelon, orange, root beer, and even pickle, mac and cheese and bacon flavored candy canes.

Speaking of bacon, Dec. 30 is National Bacon Day.

Influenza and Hand Washing Awareness

Chrisi Karcz AVP Clinical Operations

In the beginning of December National Influenza Week and National Hand Washing Awareness are celebrated. Surely no coincidence since hand washing is one of the best preventative measures to prevent infections and illnesses, second to vaccines. According to the CDC, the flu vaccination reduces risk of flu illness by 40-60%. The vaccine protects both you and those around you particularly those who are more vulnerable such as babies, pregnant women, and older adults. The flu vaccine is especially important to those at greater risk of complications. While those who receive the vaccine may still get sick, their illness is less severe and hospitalizations are decreased. Please do your part and get vaccinated and encourage others to also!

In addition to routine vaccinations, the power is in your hands to prevent COVID-19 and the Flu. Do not touch the T-zone (eyes, nose, mouth). It is the only portal of entry for ALL respiratory infections. The 4 Principles of Hand Washing Awareness by AMA (American Medical Association) and AAFP (American Academy of Family Physicians) include:

1. Wash your hands when they are dirty, and before eating, and after using the bathroom.
2. DO NOT cough into your hands
3. DO NOT sneeze into your hands
4. DO NOT put fingers in your eyes, nose, mouth

As Dr. William Sawyer, MD has said, "Thank you for helping to 'Spread the word, not the germs!'"

A Note From The Administrator: December 2022

Happy Holidays to all our Heritage Woods family and friends! I hope you all enjoyed your Thanksgiving spending time with your loved ones. Those who were not able to go out enjoyed a traditional Thanksgiving meal at Heritage Woods of South Elgin. We truly have a lot to be thankful for as we continue to stay healthy and safe.

In December, we will be having a holiday party for our residents on December 16th at 2:00p.m. with live entertainment and special treats for all. We will also be announcing our shining star employee of the year at the resident party. Thank you to those who submitted a nomination. We have shopping, baking, painting classes, exercise groups, crafts, bingo and much more to look forward to in December.

May your holidays

Be happy days,

Filled with love and laughter.

And may each day

Bring joy your way

In the year

That follows after!

If your loved one would like to sign up for Caremerge access, please see Janet Soto, our Resident Service Coordinator. Caremerge allows families to message staff, receive any updates on upcoming events and letters from Administration. Administration will continue the "Happenings at Heritage Woods" weekly newsletter for our residents and families as we have received great feedback on this.

Please remember to practice good hand hygiene, wear your facemask and if you aren't feeling well stay in until you feel better. We ask that families also refrain from visiting if not feeling well.

Best Regards,

Lindsey Signorella,

Administrator
